REQUEST TO RESCIND NOTICE OF ABANDONMENT

Dear Sir:

In Response to the Notice of Abandonment mailed 05 April 2006, the following information is provided to support Applicant's request to rescind the Notice of Abandonment. Specifically, the Office Action mailed on 29 September 2006 was not received in this office, and, therefore, it was not possible for Applicants to file a timely response to the Office letter. The process for receiving, entering and tracking receipt of an Office Action is as follows:

The Office is currently, and at the time of the asserted mailing of the Office Action, operated by a sole practitioner, Katy Fain. That practitioner opens all mailings with particular attention to mailings from the Patent Office. The Office Action is opened, matched to the correct file jacket and placed in line for docketing, review, and client notification. The practitioner docketed each received item at receipt (on a daily basis) on both a computer generated docket and a manual listing on the file jacket. The Office Action is briefly reviewed and client notification is prepared as a letter and mailed out to the client at the time of docketing. A copy of the action is sent with the client notification. A copy of the notification letter and the original office action are placed in the file jacket. The file jacket is notated to indicate when the client has been notified of the office action and when reminders have been sent. Follow-up dates are docketed on the computer database with regard to receipt of client authorization to proceed with responses. The file is then shelved until further action is taken.

Patent App. Ser. No. 10/825,715
Amendment. Dated: 05 June 2006
In Reply to Office Action Mailed: 29 September 2005

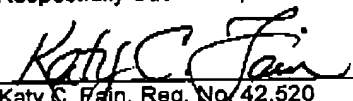

As shown in Attachments A and B, there is no record of receipt of an Office Action for the above-identified application. Attachment A is the file jacket of the application. Attachment B is the printout for docket dates for the application. Attachment C is the printout for docket dates for patent office action response due 29 March 2006. Since this is a small office, we have additionally searched the file jackets of all active files at the time of the asserted mailing of the office action and have not found the action nor any record of its receipt.

The first communication we received after filing the office action was a telephone call made to Andrea Mays, the filing attorney after the date of abandonment. Ms. Mays left the firm in July of 2005 to move to California. She was contacted at the offices of her present employer, Qualcomm, Inc. by Examiner Allana Lewin. Ms. Mays notified our firm of the abandonment and we contacted the Examiner who could not discuss the matter with us without a change in Power of Attorney. We attach the Power of Attorney with this filing.

Also, please find enclosed a declaration Attachment D signed by Katy Fain who has sole responsibility for receiving and tracking Office Actions.

Based on the information provided herein and the Office action that was not received and is therefore missing from the file jacket, it is respectfully requested that the Notice of Abandonment be withdrawn and the Office Action of September 29, 2005 be reissued.

Respectfully Submitted,

Katy C. Fain, Reg. No. 42,520
